

Village Voices - Public Response (summary)

September 2016

9.9.2016 - *It's beautiful.*

9.9.2016 - *I can relate to that.*

9.9.2016 - *It survived the night!*

9.9.2016 - *Great idea. What is the font?*

9.9.2016 - *So can anyone change the stories?*

9.9.2017 - *Great stuff.*

16.9.2016 - *I think it looks like the front of a theatre.*

20.9.2016 - *I think this is really great. There should be one of these in every suburb. Public art is really important. It's really improved this alleyway. You are going to run it for five years, wow that is a commitment. Surry Hills is great, a pity about the department of housing.*

21.9.2016 - *It is really great, I just hope it doesn't get damaged.*

21.9.2016 - *Is there a number we can call if we see any damage?*

22.9.2016 - *This is great, can you take the letters out?*

28.9.2016 - *I talked to the artist on Saturday and she said she might include some of my words.*

October 2016

5.10.2016 - *I enjoy passing by this every morning it looks wonderful.*

8.10.2016 - *I have seen many people stop and look at it and all of them touch the letters and think they can change the words themselves. I am glad to finally meet the person who has the keys and who can change the letters.*

8.10.2016 - *Who decides what words go on? Where are the workshops? Are you the artist?*

15.10.2016 - *I have told the graffiti gangs in the area not to tag the artwork. I will keep an eye on it.*

21.10.2016 - *This is wonderful, who writes the stories?*

November 2016

1.11.2016 - *I like the artwork and how it will keep changing.*

1.11.2016 - *What is it about? We really like it.*

1.11.2016 - *It's great.*

1.11.2016 - *I went a couple of weeks ago to have another look, and whilst there I spoke to a couple of people walking past. Some really interesting interpretations of the text and how people actually 'read' the text. I also had lunch nearby and spoke to some of the staff there about the artwork, locals started to join in the conversation, it was great!*

4.11.2016 - *I really enjoy reading this text every time I walk past.*

4.11.2016 - *Who is responsible for this? I really like it. It's a great idea.*

11.11.2016 - *I walk past this every day and really like it.*

30.11.2016 - *What is it all about?*

30.11.2016 - *People are suffering, dying here, this artwork can't help that. But I guess it is doing what you wanted because we are talking.*

December 2016

5.12.2016 - *This is a Council project isn't it? It's great.*

January 2017

1.1.2017 - *How often do the texts change?*

1.1.2017 - *That word 'plastic', lots of people are like plastic these days. People on their phones all the time, not looking up. Not being present. So many on ice. It's dangerous. No one looks at you.*

1.1.2017 - *Good to see it's still up.*
1.1.2017 - *I like it. Where is Surry Hills Library?*
1.1.2017 - *What is it going to say? That's great. Happy New Year!*
1.1.2017 - *That is exactly what I was thinking about yesterday, that people are lonely in a big city. There are statistics about the amount of interaction in big and small towns.*
1.1.2017 - *Wow that's good, I like that.*
19.1.2017 - *I can relate to this text of not looking. We teach our kids to look at some people but not to others. You have to discern when a look is actually wanting something from you.*
19.1.2017 - *Can I take a photo?*
25.1.2017 - *Good to see it is still standing. It is great.*
27.1.2017 - *I am so pleased that I had the opportunity to meet you and be part of this wonderful creative project. Thank you for being so cool.*

February 2017

3.2.2017 - *I love your piece, I live nearby on Nickson Street so I walk past it almost daily, and also by the people who make their homes in that same alley. It's a wonderful way of creating dialogue in a suburb where people often don't acknowledge one another - and hopefully it can start to change some of that. Looking forward to seeing how the work evolves.*
28.2.2017 - *I feel terrible asking, but.. does it do emojis?*

March 2017

28.2.2017 - *How long has this been here? I am surprised I never saw it before. Can I film this?*
28.2.2017 - *Where are the stories from?*
28.2.2017 - *This is really good art, but it would be better in an A+ location.*
3.3.2017 - *Can anyone change the letters?*
3.3.2017 - *A pity it's located in this lane where you can't step back and see the whole thing so easily.*
7.3.2017 - *Lucky it wasn't located up the other end of Crown Street, otherwise it would be smashed up by now.*
25.3.2017 - *Everyone really likes the work and they take photos of it all the time.*
25.3.2017 - *Having this public artwork in Surry Hills encourages the possibility for other public artworks to be installed in the area.*
29.3.2017 - *I went past 'Village Voices' the other night and all across the board was cigarettes and other numerous things. Also, sadly a homeless person has left all their bedding and clothing straight across from it and people were reluctant to go in the alleyway. The current lines are also so beautiful. I wish people would treat this artwork with a little more respect.*

April 2017

1.4.2017 - *The artwork has been getting a lot more attention recently, many people are taking photos.*
9.4.2017 - *This laneway is not for the public (local rough sleeper).*
21.4.2017 - *Isn't it a great piece of art!*
23.4.2017 - *That's bad poetry.*

May 2017

2.5.2017 - *I look forward to seeing it when the words are all up later.*
2.5.2017 - *It's a pity this is not in a more obvious location.*
2.5.2017 - *How do you submit? How do you choose?*
2.5.2017 - *It would be good if there was a letterbox just here.*

2.5.2017 - *You should add the story also on the panel, as sometimes there are so many words that you can't easily read the whole story from this close distance.*
2.5.2017 - *This is great, I hadn't noticed it before.*
2.5.2017 - *Can I take an instagram now, or wait until later?*
2.5.2017 - *Who writes the words? I have lived here for thirty years and have a lot of stories.*
2.5.2017 - *You could highlight certain words or letters with coloured perspex.*
2.5.2017 - *Beautiful.*
2.5.2017 - *Great community project, keep up the good work!*
3.5.2017 - *Can you stop speaking so loudly, some people are trying to sleep here (local rough sleeper).*
3.5.2017 - *What a great idea your Crown St. Surry Hills display is, simply fascinating. I would have liked to see a suggestion box, there was no place to leave feedback, leave a story or start a conversation.*
7.5.2017 - *It's a great idea. Can I have some information about how I can find out more about the authors?*
12.5.2017 - *I might put a letterbox here myself, so people can leave their stories.*
12.5.2017 - *Thank you for meeting us today and talking to us about your installation and commitment to community work. By all reports our tour guests regarded the experience as a highlight and I think we all agreed that it would be wonderful to have a few more installations like this one in Surry Hills.*

June 2017

19.6.2017 - *I saw a guy trying to pull out the letters the other night and I said to him: "why are you doing that?" He was with a girl who said: "do people often try to pull out the letters?" I said to them: "we like having this artwork in our neighbourhood and if I see you or anyone else doing something like that, I will call the police straight away".*

July 2017

1.7.2017 - *I used to do a lot of writing. I have lived here for a long time. I would like to write something for this. I'll put it in the box at the Surry Hills Neighbourhood Centre.*
1.7.2017 - *What's going up today? At least it's clean around here this morning.*
1.7.2017 - *I'm up from Melbourne for a month, who writes the texts? Are there other ones of these around, or is this the only one?*
1.7.2017 - *What are you advertising?*
1.7.2017 - *I have heard people say that it would be good to have a response page on the opposite wall, or a letterbox for people to leave comments. Also that it would be good if the texts changed more often.*
1.7.2017 - *It is good to see someone so enthusiastic about what they do. Have you talked to the Missionaries Of Charity just up the road? They do a lot of work with the local community.*
17.7.2017 - *There should definitely be a dropbox located at Village Voices for people to leave their stories or comments.*
27.7.2017 - *Were the Council thinking of installing other Village Voices artworks in Surry Hills?*

September 2017

2.9.2017 - *Seeing these stories makes me not feel so alone.*
2.9.2017 - *So you are the one who comes up with all the wisdom.*
2.9.2017 - *It's great.*
2.9.2017 - *How often do the words change?*
2.9.2017 - *I like it.*
2.9.2017 - *You are amazing.*
2.9.2017 - *Fab work!*
23.9.2017 - *We walk past here every day and enjoy reading the text.*

23.9.2017 - *I'd just like to say that what you are doing is great, we really like the stories.*

23.9.2017 - *I think it is important to have a work like this, as we need to be reminded of the harsh realities. We need not just words, but words that inspire action. Surry Hills is becoming sanitised to the point of insanity.*

23.9.2017 - *This is telling it how it is, Sydney is getting so expensive.*

23.9.2017 - *You should add a phone number, this could be a dating service.*

23.9.2017 - *People are slaves to the terrace houses, it's like a gaol behind those doors. People need freedom. A mortgage is not that.*

23.9.2017 - *We should try and crowd fund this project if the Council doesn't support it anymore after four years.*

23.9.2017 - *I really like this project and look forward to the next change and when you install the drop box there.*

23.9.2017 - *It was a special experience hearing the authors read their poems.*

23.9.2017 - *Are there plans to put more of these in other suburbs?*

28.9.2017 - *It's obvious, the dropbox has to be here.*

5.10.2017 - *This is real qualitative research, through narrative we are able to hear the voices directly of the people living in this area.*

19.10.2017 - *I stumbled upon this work in a moment of intense sadness and worry and it reminded me that the world is chaos but chaos is full of beautiful moments and places and people. It's ok to be vulnerable and soft and confused. We live with ourselves everyday and forget that we are made of stars. Be kind to yourself and to others.*

November 2017

4.11.2017 - *There is going to be a new message today.*

4.11.2017 - *Is it already two months, the last one didn't seem to be up that long.*

4.11.2017 - *They regularly change the words.*

4.11.2017 - *Why are you doing this on a Saturday morning?*

4.11.2017 - *It's good that nobody has damaged it.*

4.11.2017 - *I read it every time I passby. Is it a new one today?*

4.11.2017 - *I like it.*

4.11.2017 - *That's a pretty good one.*

6.11.2017 - *Impressive.*

6.11.2017 - *Ohh!! New words! Must go see.*

January 2018

4.1.2018 - *Your back!*

4.1.2018 - *How often do you change the stories?*

4.1.2018 - *Everyone in the area talks about this work.*

4.1.2018 - *What is it about? I thought it was advertising for a cinema?*

4.1.2018 - *This is great.*

4.1.2018 - *The fact that this has got us talking is great.*

4.1.2018 - *So you're the one who does this. I love it!*

4.1.2018 - *It's a pity this is not in a more prominent location so that more people could see it.*

4.1.2018 - *It looks fabulous. It does.*

4.1.2018 - *I agree with what that says. I really do.*

5.1.2018 - *That poem to me is about apathy.*

5.1.2018 - *You should have one of these artworks in Redfern.*

February 2018

13.2.2018 - *I had a wonderful experience a few weeks ago in Maya Indian restaurant, then I walked around the corner and found the Crown Street Artwork.*

Wow! Fabulous synchronicity! Thank you for such an inspiring project so beautifully executed.

22.2.2018 - I quite literally walk past this every single day, and don't think I've ever paid attention to it, but today something spurred me to stop and see what it said. Quite interesting, and a good little phrase I believe! Good effort.
